

*Ye Olde Bell Hotel & Restaurant*

*Where the magic begins.....*

# *Your stylish celebrations in a stunning setting.....*

An impressive landmark dating back to the 17th Century, Ye Olde Bell has been one of the region's most romantic and best-loved wedding venues for generations. Now cherished by local private owners and a dedicated team, this 4-star hotel has been restored throughout, respecting its heritage yet bringing it firmly into the 21st Century.

Lavishly furnished with antiques, adorned with stunning drapes, rich carpets and sparkling chandeliers, we complement all the traditional warmth and hospitality of a country house hotel with the modern luxuries of a contemporary hotel.

On the border of Nottinghamshire, Yorkshire and Lincolnshire, this stylish and quintessentially English hotel is where the magic truly begins.....

## *Let the ceremony begin.....*

Licensed for over twenty years, Ye Olde Bell really is the perfect place to say 'I Do'.

With five individual suites for 2 to 250 guests, we offer you the dream combination for your ceremony and reception in one stunning venue.

A magical candlelit ceremony in the 'Fairytale' Oak Pavilion with a unique box hedge 'aisle' or the grand opulence of the Bradgate and Wiseton with ornate ceilings, oak panelling and stunning chandeliers – to name just two!

## *Impress your guests.....*

Whether by horse and carriage or helicopter, your photographer will capture your red carpet arrival before you mingle with your guests on one of our unique garden terraces or by the roaring log fires in the lounge. Sparkling champagne, creative cocktails or classic Pimms with delicate canapés before a sumptuous wedding breakfast.

The formal gardens and extensive grounds are a fabulous backdrop for photographs and ideal for outdoor games or a barbecue on the terrace in the evening sun.
